The 2018 SEA Employee Appreciation Luncheons took place May 15 and June 4, 2018 in the TSC Ballroom, catered by USU Dining Services. Thanks to the exceptional organizational skills of SEA Employee Development committee members, Vannessa Howes and Jen Caines, SEA members were served a delicious lunch and many went home with prizes donated by local businesses.

During the luncheon, scholarship and professional development recipients were announced, along with the Employee of the Year honoree, Craig Kelley.

Nearly 900 SEA members registered to attend the luncheons.
